

By Coincidence

"A TALENTED GROUP
WITH A FRESH, VIBRANT
ENERGY."

With a fiery spirit and contagious enthusiasm, By Coincidence has been performing across the GTA for over 12 years. This Top 40 cover band has four dedicated members whose experience in the industry bring a wealth of knowledge and talent, and provide the utmost musicianship. Crowd favourites by artists such as Stevie Wonder, Rihanna, Bob Marley, Metric, Amy Winehouse, Maroon 5 and many more, adorn their ever-expanding repertoire.

While being no stranger to the nightclub scene, By Coincidence has also performed at many weddings, corporate events and private parties with enthusiastic response & continued success.

Their distinctive sound can also be attributed to their solid three part harmonies which reinforce the band's uniqueness and ability to cover almost any artist you hear on the radio today.
